Trackers are present in more than 90% of the websites

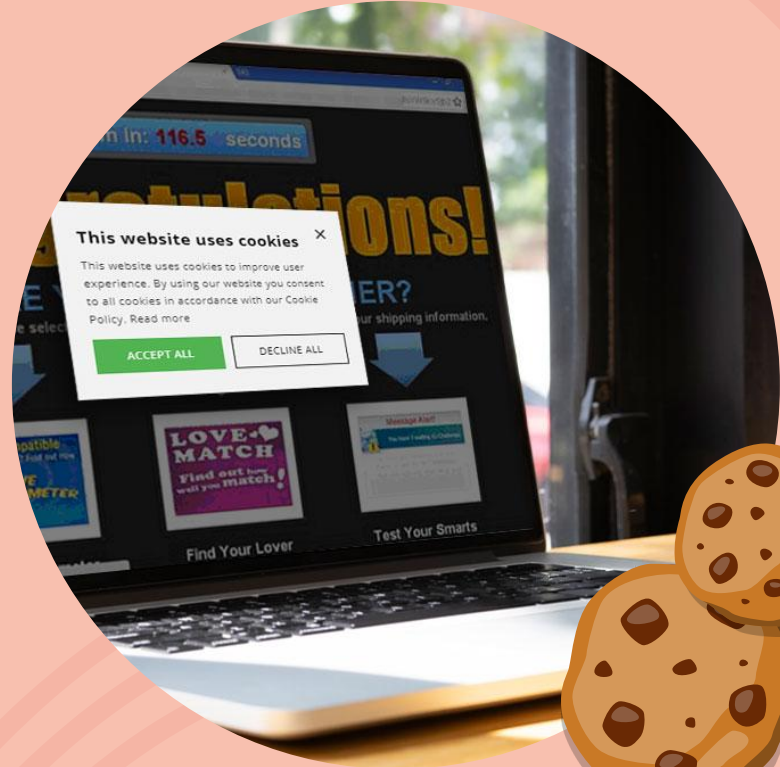

The background is a solid light pink color. It features several decorative elements: three cookies in the top-left corner, a cluster of three cookies in the top-right corner, two cookies in the bottom-left corner, and one cookie in the bottom-right corner. Additionally, there are several thin, wavy, light pink lines that sweep across the background, creating a sense of motion or flow.

For a **single button** you **press** on your browser to consent data, your **private information** is **collected** by an approximate average of **1000+** **companies** and **vendors**.

# Lost in a Sea of Data

It is not just about blocking cookies; it is about knowing who holds the keys to your digital identity.

*Do not drown in data uncertainty. Chart a clear course through the chaos.*

# A Beacon of Safety

Cool Cookie Tool is **not just another cookie analyzer**. It is designed to offer **unparalleled protection** with **groundbreaking features** that most other extensions lack.

*Ours is a Cookie analyzer for the average Internet User.*

# Open Cookie Database

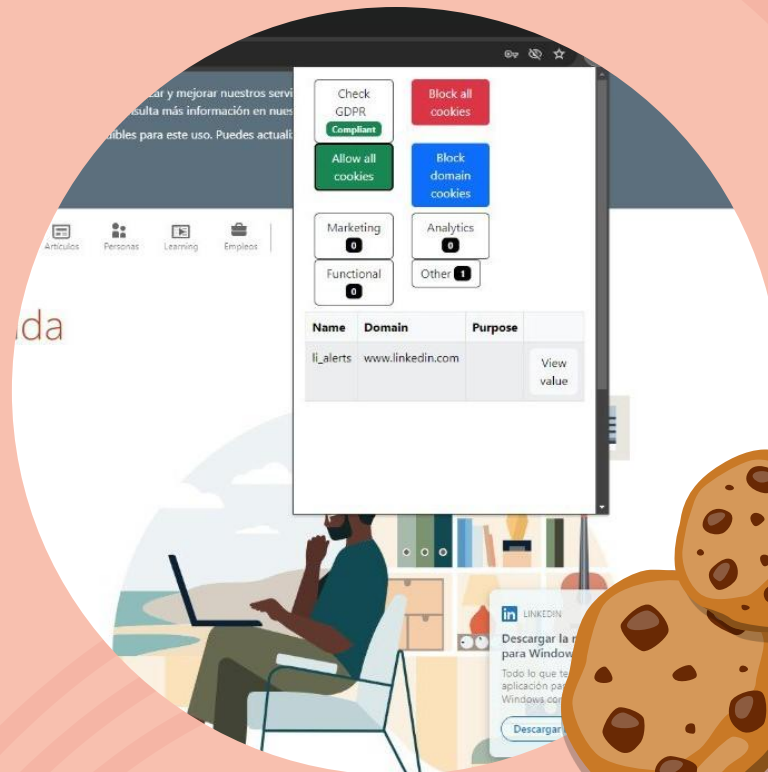

The Open Cookie Database is an open source effort to **describe and categorise all major cookies**. All cookie descriptions are saved in a **downloadable CSV file**.

# GDPR with Advanced Cookie Analysis

- **Intelligent Banner Interaction**  
Automatically detects and interacts with 'Accept' and 'Decline' options in cookie banners across diverse websites.
- **Cookie Comparison**  
Analyzes changes in the cookies and the presence of trackers, comparing scenarios of accepting versus declining consent.
